Objective

Hi! I'm a Computer Science student, really excited to work on real-time projects at RSquareSoft Technologies. I enjoy backend development and exploring AI/ML, and I'm good with Python, DSA, and SQL. I'm hoping to get an internship where I can learn new things, get guidance from mentors, and grow in my tech journey.

Technical Skills

Languages: Python, C++, JavaScript, SQL
Frameworks: React, Node.js, Express.js
Tools: Git, GitHub, Postman, VS Code

Web: HTML5, CSS3, REST APIs
Databases: MySQL, MongoDB, PostgreSQL
Concepts: OOP, DSA, DBMS, OS

Education

B.Tech in Computer Science and Engineering
TKIET Warananagar, Kolhapur

2022 – 2026

- CGPA: 9.23

HSC – Science
MNC Jr. College
Year: 2022

- Percentage: 56.60%

SSC
Shindewadi High-School
Year: 2020

- Percentage: 90%

Projects

AgriConnect Website

[React, Node.js, SQL]

A platform to connect farmers directly with buyers for better price transparency and deal tracking.

- Designed a responsive frontend in React for both farmers and buyers.
- Implemented Node.js backend with SQL database for crop listings and deal management.
- Added login/authentication, dynamic dashboards, and role-based functionalities.

Portfolio Website

[React, CSS]

Personal website to showcase skills, projects, and professional links.

- Built using React with component-based architecture and smooth routing.
- Included skill cards, project previews, and responsive design.

Achievements

- Qualified **GATE 2025**.
- 1st place – **Code 404** (RIT, Islampur), 2025.
- 2nd place – **Code 404** (RIT, Islampur), 2024.

Certifications

- Full Stack Development – Udemy
- AI/ML Bootcamp – TKIET CSI

Extra-Curricular Activities

Technical Mentor — CodeBytes Club, TKIET

- Guided junior students in C/C++ and DSA fundamentals.
- Conducted hands-on coding sessions and peer code reviews.

Competitive Programming Head — Logiccode Club, TKIET

Secretary — CSI Student Chapter, TKIET
